

Qualifying Information Incentive Rebates

The Appliance Incentive Rebate Program can help lower your energy use, reduce your energy bills, and protect the environment.

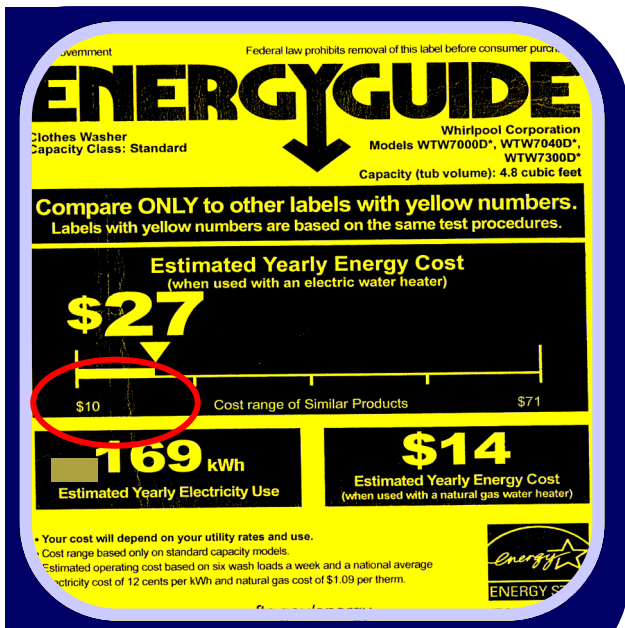

Receive a \$50 incentive when purchasing an Energy Star approved appliance.

-OR-

Receive a \$100 incentive when purchasing an appliance rated in the lowest quadrant (circled in red below) of the Estimated Yearly Energy Cost section on the Energy Guide label. The Energy Guide is the yellow label on some appliances and may identify the relative efficiency of the specific appliance to similar appliances via an annual cost range scale which is broken into four quadrants. Appliances listed in the left most quadrant are the most energy efficient and qualify for the Level 2 incentive.

**Note: Not all appliances have an Energy Guide label and many labels do not specify what quadrant the appliances fits into on the 'Estimated Yearly Energy Cost' section.

Residential Energy Efficient Appliance Incentive Rebates

News from Manitowoc Public Utilities

MPU is pleased to offer incentive rebates for the purchase of energy efficient appliances with two rebate levels!

See inside for more details!

MPU Residential Energy Efficient Appliance Incentive Rebates-January 1 – December 31, 2019

Details:

Level 1 Rebate: \$50 for the purchase of ‘Energy Star’ rated appliances.

Level 2 Rebate: \$100 for the purchase of appliances on the Energy Guide **lowest quadrant** (see Qualifying Information Incentive Rebates panel).

****Note: Not all appliances have an Energy Guide label and many Energy Guide labels do not specify what quadrant the appliances fit into on the ‘Estimated Yearly Energy Cost’ section. To qualify for the Level 2 rebate, an Energy Guide label must be provided that shows the appliance is in the lowest quadrant.**

Conditions of Residential Appliance Rebate Program

1. Available to electric residential customers of MPU who purchase and install the appliance at their premise.
2. Each customer is limited to **TWO** (2) rebates per year (rebates issued by check).
3. Customer must provide the original Energy Star label or Energy Guide label along with the original sales receipt with the completed rebate form.
4. Customer will be provided only **ONE** rebate per appliance (either Level 1 rebate **OR** Level 2 rebate, but **NOT** both).
5. Rebates are available to a renter located in the MPU electric service territory even if they do not receive a bill from MPU (electricity included in rent) – need Account number from Landlord and Landlord’s signature on application.
6. MPU may inspect the premise to verify the appliance installation.
7. At MPU’s sole discretion, the program may be discontinued at any time and for any reason.
