

FOCUS ON ENERGY INCENTIVE AND INFORMATION

Smart Thermostat Incentive

When purchasing a new Smart Thermostat, you can receive a \$50 rebate if it qualifies. Please visit Focus on Energy's website at <https://focusonenergy.com/residential#program-smart-thermostats> to learn more about Smart Thermostats and to see which Smart Thermostats would qualify for a \$50 rebate.

Free Energy Efficiency Pack

You can order your Free Energy Efficiency Pack from Focus on Energy once every three years. Please visit Focus on Energy's website at www.focusonenergymarketplace.com/free to look at the different Energy Efficiency Packs that are available. Hurry up and order your Free Energy Efficiency Pack if you haven't yet!

Additional MPU Customer Programs

MPU offers the following programs to assist our customers with saving energy, reducing energy bills and saving our environment for future generations. Please visit our website at www.mpu.org/conservation/incentives-programs for details about these programs.

MPU Appliance Rebate Program

MPU offers a rebate program for customers purchasing a new energy efficient appliance including a refrigerator, dishwasher, or dehumidifier just to name a few. Please stop in our office or visit our website at www.mpu.org/conservation for more details.

LED Light Bulb \$20 Rebate Program

MPU offers up to a \$20 rebate for residential customers to purchase energy efficient LED light bulbs. A 9-watt LED bulb replaces a 60-watt incandescent bulb and can last up to 25 years before needing replacement. Stop in our office or visit our website for details and to get an LED rebate application.

Renewable Choice Program

MPU offers the Your Renewable Choice program so you can help steer the future of energy production toward renewable sources. To learn more about this program, visit www.mpu.org/conservation/incentives-programs.
