

Appliance Recycling Program

The Appliance Recycling Program can help lower your energy use, reduce your energy bills and keep harmful materials out of landfills.

Focus on Energy offers free pickup and recycling services for refrigerators or freezers, with a \$35 incentive per appliance! MPU will also offer an additional \$35 incentive to MPU customers.

Interested customers should contact Focus on Energy to schedule a pick up date for qualifying appliances. Appliances must be in working order, clean, and empty, with an inside measurement of between 10 to 30 cubic feet— standard size for household refrigerators or freezers. There must be a clear and safe removal path. There is a limit of two appliances per household per calendar year.

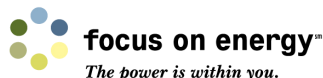

Schedule your free pickup today by visiting focusonenergy.com/fridge or calling 800.354.1898.

GET \$70 FOR YOUR OLD FRIDGE OR FREEZER

Make room in your garage or basement by getting rid of that extra fridge or freezer taking up space and hogging energy. We will pick it up from your house for FREE, responsibly recycle it, and give you \$70.

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.

Two Great Programs are here to Help You Save Energy & Money with MPU

News from Manitowoc Public Utilities

Get up to a \$20 rebate for LED Light Bulbs from MPU AND/OR Get \$70 for recycling your old fridge or freezer from MPU & Focus on Energy

MPU Residential LED Light Bulb Rebate Application – February 1 – December 31, 2018

MPU is providing the LED Light Bulb Rebate Program to help you save energy, lower your utility bill, and protect the environment. LED light bulbs are energy efficient. A 9-watt LED bulb replaces a 60-watt incandescent bulb and can last up to 25 years before needing replacement. Saving energy benefits everyone!

Details:

1. LED Light Bulb Rebate Program is only available to RESIDENTIAL electric customers of MPU.
2. Only LED light bulbs used for general lighting purposes (40-100 watt equivalent) are eligible for this rebate. Decorative and holiday lights are not eligible.
3. Rebate amount is limited to a maximum of \$20 per customer household. There is no limit on the number of bulbs or the cost of bulbs.
4. Rebate will appear as a credit on your utility bill.
5. Rebate excludes sales tax.

* MPU has final approval of all applications and reserves the right to terminate the Residential Customer LED Light Bulb Rebate Program at its sold discretion and without advanced notice.

Application, Original Sales Receipt, and UPC Code

Complete application below

Include original sales receipt (submit application within 60 days of the date on the sales receipt and before December 31, 2018) and UPC code from package

Mail to or drop off at: Manitowoc Public Utilities, 1303 S 8th Street, P.O. Box 1090, Manitowoc, WI 54221
