920-374-1002

#### Notes:

In order for MPU customers to be eligible for the reimbursement for a portion of the costs for the replacement of a lead service line, a plumber/contractor that is listed above must do the replacement.

The contractors are listed in alphabetical order and customers should contact them directly to get a quote for the replacement. WDNR grant funding requires at least one (1) quote for reimbursement eligibility.

MPU reserves the right to remove, add or modify plumber/contractors on this list at any time.
