Fallen Tree Cuts Power

About 180 north side Manitowoc Public Utilities (MPU) customers were without power overnight when a tree fell onto power lines in the 1400 block of N. 23rd Street. The problem was reported at 1:00 AM. Power was restored to all customers by 2:30 AM this morning,

While Manitowoc missed the brunt of the storm, other area communities were not so lucky. As part of mutual aid assistance agreements, MPU crews have been dispatched to assist with power restoration efforts in the public power communities of Waupun, New Holstein, and Kiel.
