Additional MPU Customer Programs

MPU offers the following programs to assist our customers with saving energy, reducing energy bills and saving our environment for future generations. Please contact us (see bottom of page) for details about these programs.

MPU Appliance Rebate Program

MPU offers a two level rebate program when you purchase a new energy efficient appliance including a refrigerator, dishwasher, or dehumidifier just to name a few. Please stop in our office or visit our website at www.mpu.org/conservation for details.

CFL Light Bulb Recycling Drop Off

Compact Fluorescent light bulbs (CFL—swirly ice cream cone style) contain a small amount of mercury and can not be landfilled. You can drop off CFLs (and other non-tube style lights) at our Main Office where they will be recycled and disposed of properly.

Renewable Choice Program

MPU offers the Your Renewable Choice program so that you can help steer the future of energy production toward renewable sources. To learn more about this program, visit www.mpu.org/conservation/incentives-programs.

MPU 2021 LED Light Bulb Incentive

News from Manitowoc Public Utilities

Receive up to a \$20 rebate for purchasing LED light bulbs.

LED light bulbs use 90% less energy than incandescent bulbs and last up to 25 years.

MPU Residential LED Light Bulb Rebate Application: January 1 – December 31, 2021

MPU is providing the LED Light Bulb Rebate Program to help you save energy, lower your utility bill, and protect the environment. LED light bulbs are energy efficient. A 9-watt LED bulb replaces a 60-watt incandescent bulb and can last up to 25 years before needing replacement. Saving energy benefits everyone!

Details:

1. LED Light Bulb Rebate Program is only available to RESIDENTIAL electric customers of MPU.
2. Only LED light bulbs used for general lighting purposes (40-100 watt equivalent) are eligible for this rebate. Decorative and holiday lights are not eligible.
3. Rebate amount is limited to a maximum of \$20 per customer household. There is no limit on the number of bulbs or the cost of bulbs.
4. Rebate will appear as a credit on your utility bill.
5. Rebate excludes sales tax.

* MPU has final approval of all applications and reserves the right to terminate the Residential Customer LED Light Bulb Rebate Program at its sole discretion and without advanced notice.
