Additional MPU Customer Programs

MPU offers the following programs to assist our customers with saving energy and reducing energy bills. Please visit our website at www.mpu.org for details about these programs.

MPU Appliance Rebate Program

MPU offers a rebate program for customers purchasing a new energy efficient appliance including a refrigerator, dishwasher, or dehumidifier just to name a few.

CFL Light Bulb Recycling Drop Off

Compact Fluorescent light bulbs (CFL—swirly ice cream cone style) contain a small amount of mercury and can not be landfilled. You can drop off CFLs (and other non-tube style lights) at our Main Office where they will be recycled and disposed of properly.

Manitowoc Public Utilities 2023 LED Light Bulb Incentive

Receive up to a \$20 rebate for purchasing LED light bulbs.

LED light bulbs use 90% less energy than incandescent bulbs and last up to 25 years.

MPU Residential LED Light Bulb Rebate Application: January 1– December 31, 2023

MPU is providing the LED Light Bulb Rebate Program to help you save energy and lower your electric bill. LED light bulbs are energy efficient. A 9-watt LED bulb replaces a 60-watt incandescent bulb and can last up to 25 years before needing replacement. Saving energy benefits everyone!

Details:

1. LED Light Bulb Rebate Program is only available to RESIDENTIAL electric customers of MPU.
2. Only LED light bulbs used for general lighting purposes (40-100 watt equivalent) are eligible for this rebate. Decorative and holiday lights are not eligible.
3. Rebate amount is limited to a maximum of \$20 per customer household. There is no limit on the number of bulbs or the cost of bulbs.
4. Rebate will appear as a credit on your utility bill.
5. Rebate excludes sales tax.

* MPU has final approval of all applications and reserves the right to terminate the Residential Customer LED Light Bulb Rebate Program at its sole discretion and without advanced notice.

Application, Original Sales Receipt, and UPC Code
