Billing

Bills for electric and water service are rendered monthly and become due and payable upon issuance following the period for which service is rendered. A late payment charge of 1% per month will be added to bills not paid within 20 days of issuance. This late payment charge will be applied to the total unpaid balance for utility service, including unpaid late payment charges. The late payment charge is applicable to all customers. The utility customer may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued. Unless payment or satisfactory arrangement for payment is made within the next ten days, service may be disconnected pursuant to Wis. Admin. Code ch. PSC 185 and PSC 113.
